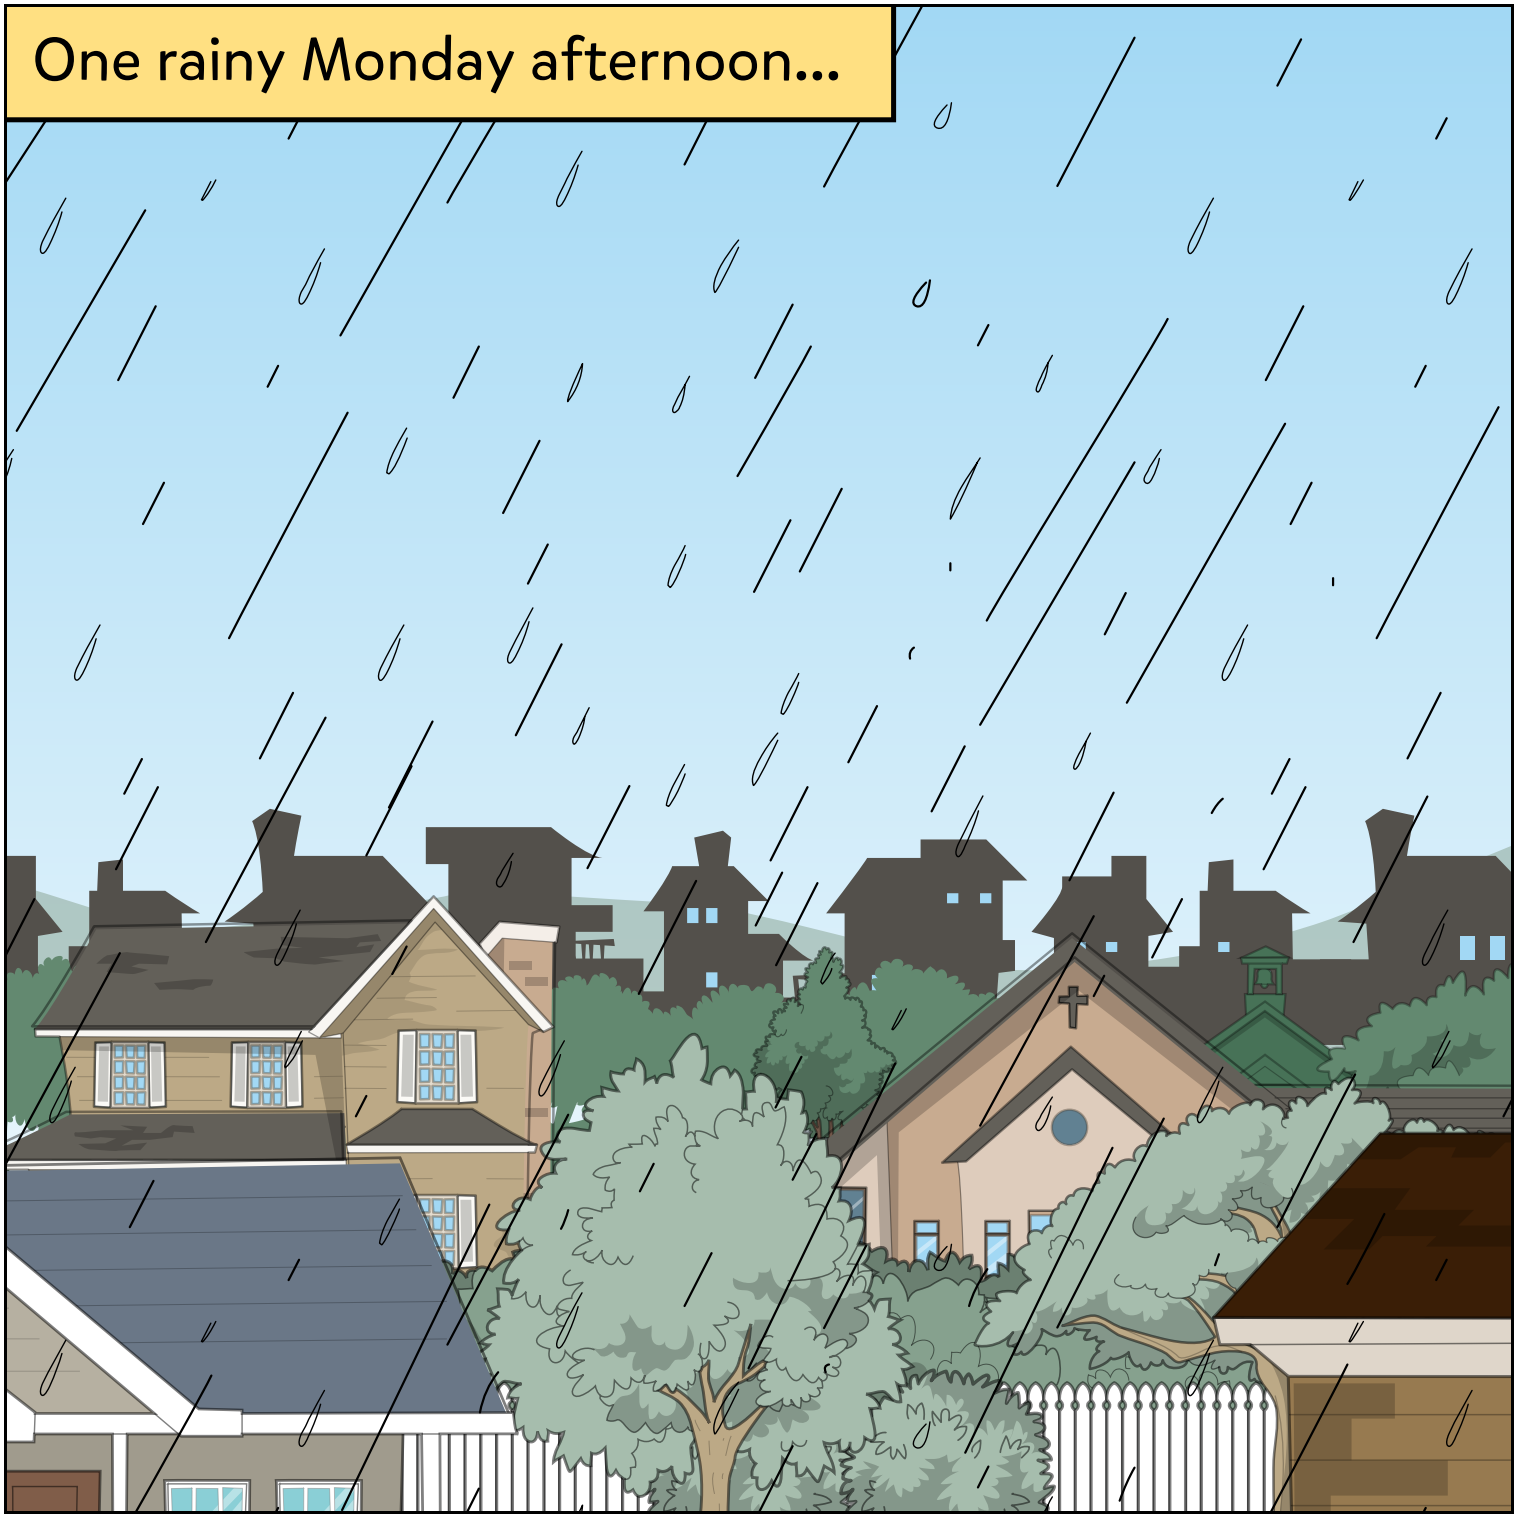
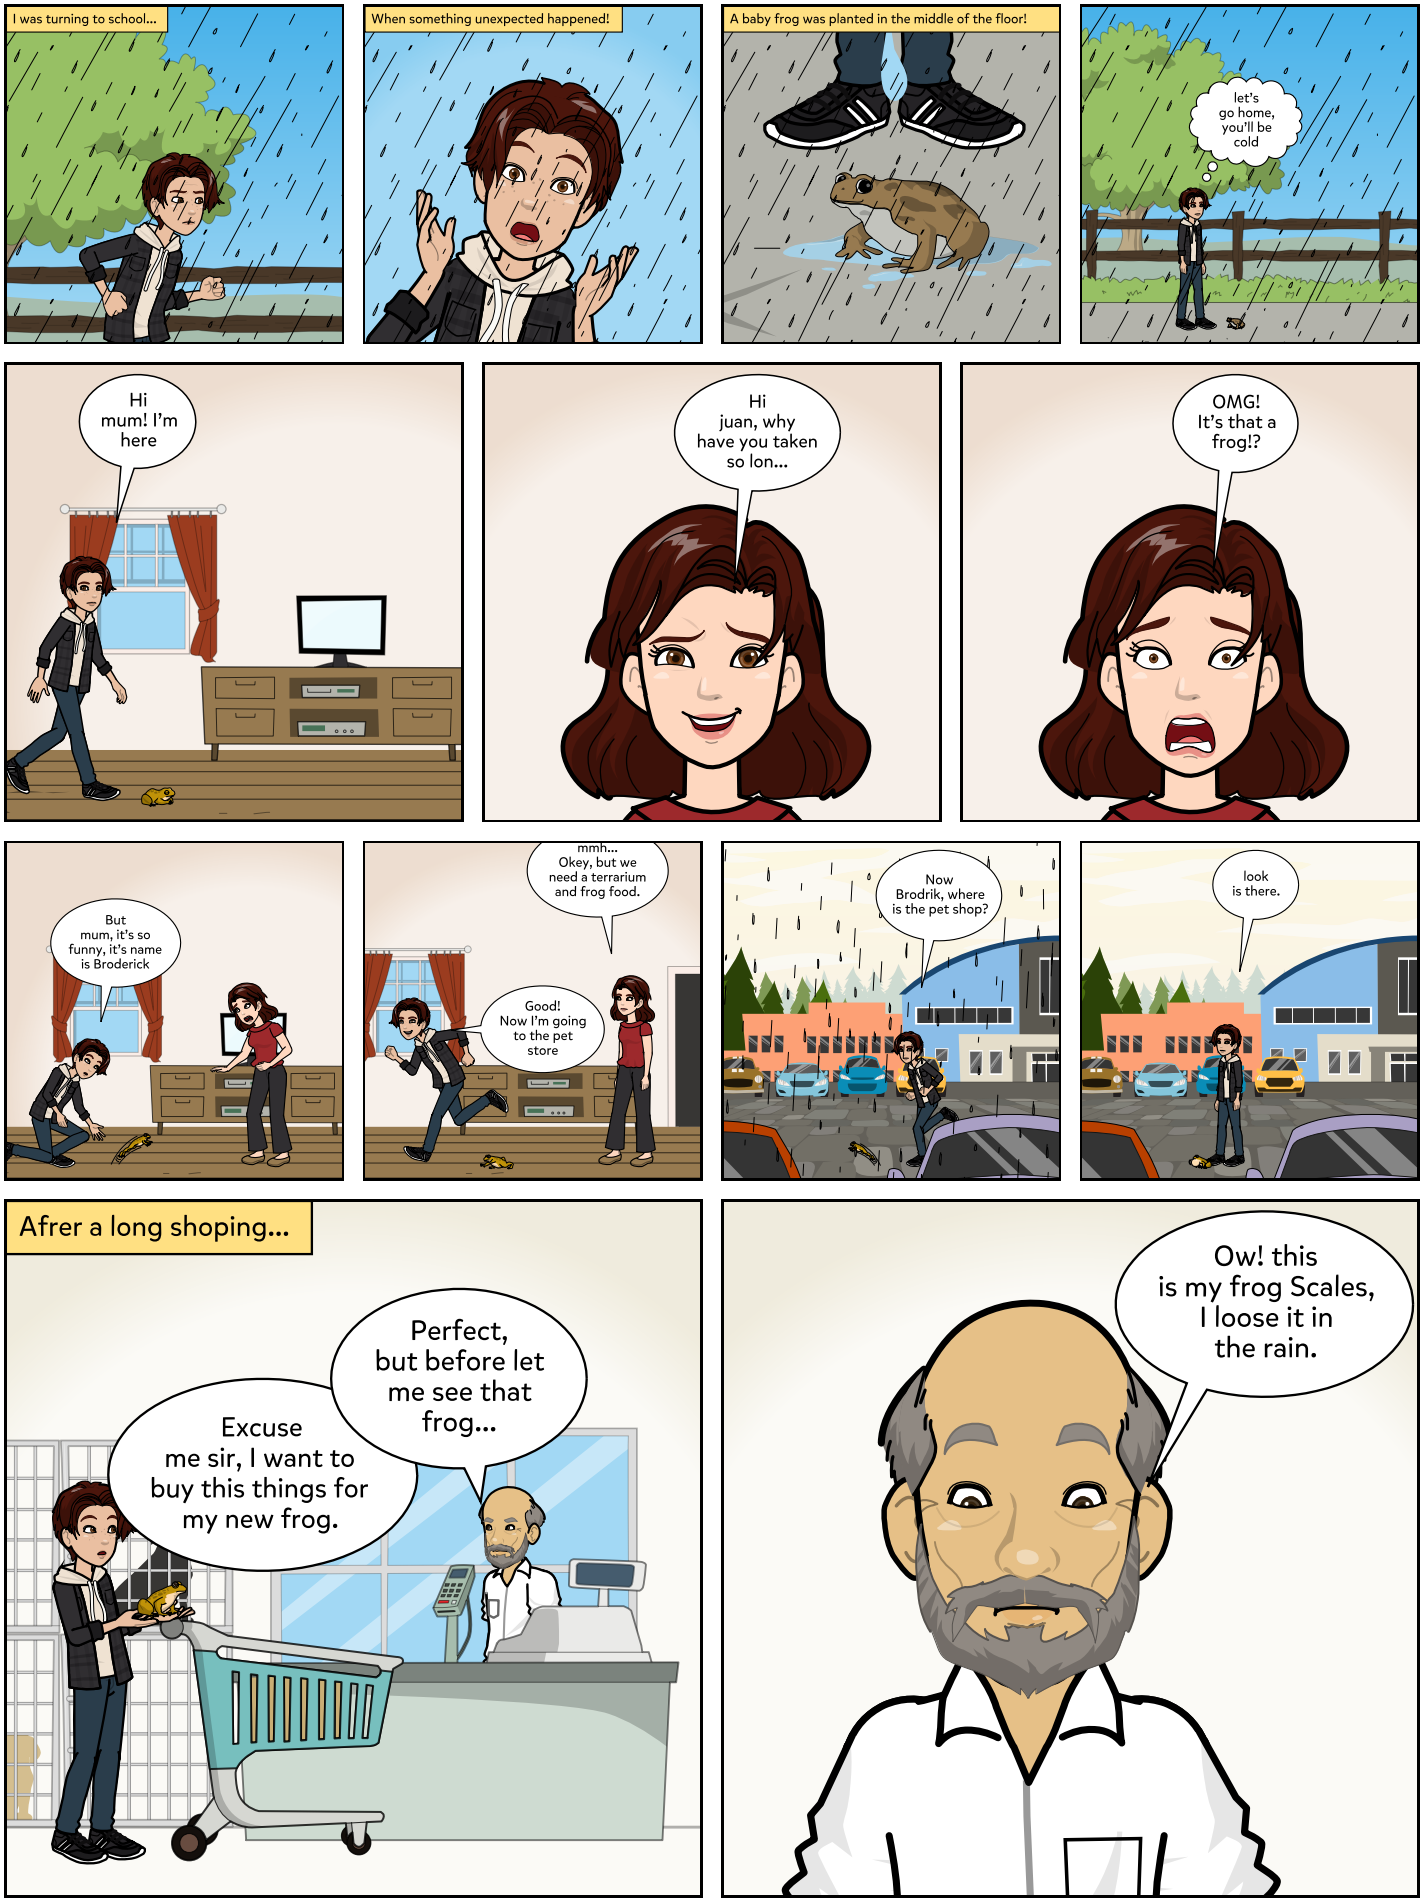
Brodrick the frog

By Juan





I was turning to school...
When something unexpected happened!
A baby frog was planted in the middle of the floor!
let's go home, you'll be cold
Hi mum! I'm here
Hi juan, why have you taken so lon...
OMG! It's that a frog!?
But mum, it's so funny, it's name is Broderick
Good! Now I'm going to the pet store
mmh... Okey, but we need a terrarium and frog food.
Now Brodrik, where is the pet shop?
look is there.
Afrer a long shoping...
Excuse me sir, I want to buy this things for my new frog.
Perfect, but before let me see that frog...
Ow! this is my frog Scales, I loose it in the rain.

I was in my house and then scales jump into the window.
No! Scales come here.
Later, I didn't know where it was.
Ow... Ok I found it in the rain...
Surely you open fond of Scales, but I need you to give it back to me...
Well Broderick, this is goodbye.
Godbye Brodrick
Save me bad... Already! Here, I can give you a frog from the store, along with the terrarium and the feed!
Don't worry, you are soo gentile, but is not nessesary.
I insist.
THE END!!!
Finally, Juan and the frog lived happily and ate partridges.
